

WRITER'S BLOCK DETOX

TASK 9: MAKE YOUR OWN PROMPTS

TASK 9: DIY PROMPTS

This is super-simple – set a timer and see if you can do it in 5 or 10 minutes. Take the quick, one-page story plan that you've made, and break it into 6 or 7 prompts that you will write from, whichever makes most sense in terms of story. If you finish on day 6, your task for day 7 is editing. All of the prompts should feel manageable, but try to make sure the first one small as you are probably doing this task too.

Print them out, stick them up, write them in your diary and your notebook. Make them unmissable.
